F. Provisions of State Law

Your signature also indicates that you have read and understand the following provisions of WV State Code, Chapter 49, Article 2:

- 1. An informal family child care provider shall care for no more than 3 children at any one point in time. A provider caring for 4 or more children is no longer considered to be informal and must meet the requirements for registered family child care homes.
- 2. A relative family child care provider may care for an unlimited number of children as long as all children in care are related to the caregiver.
- 3. Family child care providers shall care for no more than 6 children at any one point in time. Any provider caring for 7 or more children is considered to be a family child care facility. Any facility which operates without a license is guilty of a misdemeanor, and, upon conviction, shall be fined not more than \$500.
- 4. If a violation may result in serious harm to children under care, the commissioner may seek injunctive relief through proceedings instituted by the attorney general, or the appropriate county prosecuting attorney, in the circuit court of Kanawha County or in the circuit court of the county where children live.
- 5. A Certificate of Registration is effective for a period of up to two years from the date of issuance, unless revoked based on failure to comply with the provisions of state code or rules promulgated by the WV Department of Human Services. Child care providers must reapply at the end of the two year period and are required to display registration certificates.
